

Soul Fly Buddies – Monthly Meeting Notes

Here are the minutes for the Soul Fly Buddies (SFB) meeting on 28th March 2025.

Soul Fly Buddies met online using Zoom.

The people that came to the meeting were: Stavros, Nalyn, Karen, Lachlan, Alex and Tony.

Bevan and Jack could not make the meeting due to work. Audrey was busy preparing for her play “Camp Rock”.

At the start of the meeting, we each shared some news from our lives!

	<p>We then talked about a 10th Birthday video.</p> <p>There will not be a video screen at the 10th Birthday Party, but the SFB would like to help make a “Happy 10th Birthday” video to share on social media.</p>
	<p>SFB members will each record a 30 second message and wish everyone a happy 10th birthday.</p> <p>Tony will put all the videos together into one video.</p>
	<p>The SFB also suggested that we record birthday wishes from people at the 10th birthday party.</p>
<p>2015 to 2025</p>	<p>The SFB also would like to see a “history of Gig Buddies” video.</p> <p>Tony will work with SFB and GB staff to make this.</p>

	<p>SFB talked about security and bouncers learning about disability. They agreed that more research needs to be done to find out if this sort of information is already being taught, or if other disability organisations have something similar.</p> <p>Stavros will drive this.</p>
	<p>They agreed that creating an educational video would be the best option (if it has not already been done by someone else.)</p> <p>SFB and other GB participants could tell their stories.</p>
	<p>We could also work with other disability organisations e.g. Hidden Disability (Sunflower) group, Autism Australia.</p>
	<p>If there is a security conference or expo, maybe SFB could do a presentation.</p>
	<p>Karen emailed Tony with some initial research after the meeting.</p> <p>Thanks Karen! 😊</p>
