

Soul Fly Buddies – Monthly Meeting Notes

Here are the minutes for the Soul Fly Buddies (SFB) meeting on 27th January 2026.

Soul Fly Buddies met online using Zoom.

The people that came to the meeting were: Stavros, Bevan, Audrey, Karen, Lachlan, Alex and Nalyn.

Jack did not join.

At the start of the meeting, we each shared some news from our lives!

Soul Fly Buddies – Monthly Meeting Notes

First, we talked about what day we would do our in-person meetings in 2026.

Last year we did the in-person meetings on a Friday. Chelsea asked if Tuesday would be better for everyone.

Everyone at the meeting had different days that would work better.

It was agreed that Chelsea would send out a poll in the SFB WhatsApp group to see which day works better.

Everyone was happy with this.

Karen also suggested looking into Barone in Strathfield as a potential place to have the lunch.

Next Chelsea told SFB that the Gig Buddies 11th Birthday has been locked in.

Staff were thinking of doing an 80s music and dress up theme.

SFB said they were happy with this.

Next we talked about the Gig Buddies 'What's On' page on the Gig Buddies website.

Staff wanted to know if the page was easy to look through and use when trying to find out about Gig Buddies events.

	<p>Nalyn said sometimes when she looks at the page the events are not in order of what is coming up first. She said this would be helpful.</p>
	<p>Nalyn also said maybe separating the events out into each month could be helpful.</p>
	<p>Stavros said a button that switches the view might be helpful. For example, if someone would like to view the events in alphabetical order, then they could do that.</p>
	<p>Chelsea will take this feedback back to the Gig Buddies team.</p>

Lastly, we talked about leadership training. Last year Karen suggested some that GB could provide some leadership training for SFB members.

Chelsea has looked into different types of leadership training and wanted to see what SFB members would be keen to do.

Karen said she was initially thinking that it would just be a section of each monthly SFB meeting where we could talk about a different point relating to leadership.

Everyone else agreed with this and said they might not have the time to do a full course.

Chelsea will look into this more and get back to SFB,

Next it was time to talk about Any Other Business.

Stavros asked where things were at with the bouncer training.

Chelsea said she would talk to the Gig Buddies team to get an idea of what was discussed before.
